About Us

Welcome to JNNYC

Jawaharlal Nehru National Youth Council Trust An ISO 9001:2015 Certified Company has been registered under the public Trust act 21 West Bengal Registration Rule 1962/1968; Vide Registration Number 11591 tor the year 2016 This organization also cer- tified by the UNDER CR ACT 1957, MHRD.Govt. of INDIA.)

The **Jawaharlal Nehru National YouthCouncil (JNNYC)** Computer Education, Distance Education Institute of with brand name JNNYC started its Journey in March 2014. The main function of the Trust is to provide higher technical education for every group of urban and rural areas to get success in computer revolution which is the main dream of Indian Govt. JNNYC is a non Commercial organization engaged in the work of social welfare, started with a mission to education service and spread literacy to all class of people.

OUR MISSION

Due to financial problem many students of middle class family cannot afford the load of some Institutes course fees. Our mission studied their theme properly and decides to provide better higher technical education in computer at very nominal charges.

OBJECTIVES OF THE PROGRAMME

All the courses are launched after an initial survey. The Courses fulfill the requirement of the students. To gain professional qualification, Certification and extra classes in career orientation and self development. After completion of each module the performance of the 1 students is monitored through regular tests to develop their skills That the students should appear successfully in the Job market and handle j the situation confidently. Our Certificate have global recognition Our students are employed in reputed organization both in India and Abroad. The key to success in ensuring quality training by the j experts. Provide education for the rural youth enabling him to play a part of the Global development.

PROMISES

Our promises are to use our honestly, Sincerity and hard working capacity of faculties to buildup the bright futures of our students through the computer education.

JNNYC ACADEMIC RULES

The student is expected to maintain appropriate relation with the management and staff. The student should follow the management rules strictly. The management expects the student's cooperation during the class session Student should carry the Identity card, Bag provided by the Head Office in the Office Premises during class session
The students must attend all the theory and lab sessions regularly Proper discipline should to be maintained within the Center premises. Any student found misbehaving will be restricted from attending the class

OUR PROGRAMME

All the courses are launched after an initial survey. The Courses fulfill the requirement of the students. To gain professional qualification, Certification and extra classes in career orientation and self-development. After completion of each module the performance of the students is monitored through regular tests to develop their skills That the students should appear successfully in the Job market and handle the situation confidently.
